CONFIRMED PROOF

Residents of Ocala Cannot Doubt What Has Been Proved

In gratitude for relief from aches and pains of bad backs from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of Ocala, who so testified years ago, now say the results were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Ocala kidney sufferers.

C. F. Hays, ice cream mfr., 703 S. Orange St., Ocala, says: "I think that heavy lifting caused my kidneys to become weakened. I suffered greatly from severe pains in my back and was often so stiff and lame that I could hardly work. I also had severe headaches. Doan's Kidney Pills gave me relief." (Statement given May 13, 1908).

MORE THAN SIX YEARS LATER Mr. Hays said: "I haven't had occasion to take a kidney medicine since I used Doan's Kidney Pills."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hays has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. Ad. 42

SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles. Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health. If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.
